

Join the crowd and help save young lives

Sir David Martin Foundation invites you to our inaugural crowdfunding event.

Join us for this special pitch and pledge evening, which offers you a new fun, social way of donating to help young people in crisis. This is a hybrid event – so physical seats are limited but there's plenty of space online.

Thursday 17 June 2021 | 5:30pm – 8:30pm
Australian Stock Exchange | 20 Bridge Street, Sydney

You will hear directly from **three speakers**, who will showcase different lifesaving programs from **Triple Care Farm's** youth drug and alcohol facility in a 'shark tank' style presentation. Each presenter will pitch to you live on stage in six minute segments, and then answer your questions.

An exciting live pledging session follows, expertly led by our MC, **ABC media personality, James Valentine.**

This will be a highly memorable experience that is sure to stay with you long after the evening is over.

Refreshments and canapés will be served before the event.

Seats are FREE but limited, so register your interest early. Options to attend the event virtually alongside friends and colleagues are also available.
