helping young people in crisis

How to Host a Watch Party to support Young People in Crisis

Join **Sir David Martin Foundation's** crowdfunding event by hosting your own private party, either in your office or your home.

1. Register for the event at: <https://martinfoundation.org.au/the-funding-network-event/#TFNregister>
2. Invite your contacts to your location – a room with a large TV or screen and with good internet*. We suggest from 5.30pm so you can provide some drinks and nibbles and a chat before the Live event starts at 6.15pm. (see invitation below)
3. Ensure your guests are pre-registered at the link above to allow them to participate in the chat function and for us to give you a report at the end of how much your team pledged.
4. Delegate one person in your team as your representative to type into the chat room for everyone.
5. How to connect and pledge on the Day:
 - a. Connect your laptop to a TV or larger screen via HDMI or a casting connection so that everyone can see and hear
 - b. Use a current version of Google Chrome on a laptop
 - c. Enjoy the presentations
 - d. When pledging starts, your representative will enter pledges made by your guests by entering their name and the amount they want to pledge, ie: Sally Smith, \$1,000.
 - e. The MC, James Valentine, will take regular breaks from the pledging in the ASX Theatre to read your pledges and the amounts will be added to our barometer!
 - f. Have a fabulous evening and collectively make a huge difference

* You can go to speedtest.net to check your speed at 6pm on a weekday (Thursday ideal) to get a good idea of what it will be like on the night. Ideally, your internet speed is >30mbps download and >10mbps upload. If you can typically stream movies and the like, you should be fine. Also make sure you have minimal devices accessing your network during the event. If for some reason the stream pauses or there is an issue, hitting refresh on your browser typically resolves.

Join the crowd and help save young lives

Sir David Martin Foundation invites you to our inaugural crowdfunding event.

Join us for this special pitch and pledge evening, which offers you a new fun, social way of donating to help young people in crisis. This is a hybrid event – so physical seats are limited but there's plenty of space online.

Thursday 17 June 2021 | 5:30pm – 8:30pm
Australian Stock Exchange | 20 Bridge Street, Sydney

You will hear directly from **three speakers**, who will showcase different lifesaving programs from **Triple Care Farm's** youth drug and alcohol facility in a 'shark tank' style presentation. Each presenter will pitch to you live on stage in six minute segments, and then answer your questions.

An exciting live pledging session follows, expertly led by our MC, **ABC media personality, James Valentine.**

This will be a highly memorable experience that is sure to stay with you long after the evening is over.

Refreshments and canapés will be served before the event.

Seats are FREE but limited, so register your interest early. Options to attend the event virtually alongside friends and colleagues are also available.
